# ELIJAH in Salvation History

**Elijah was a great prophet during a time when many people were worshipping false gods.** The people simply did not have faith that the One True God would fulfill His promises to their ancestors and continue

to care for them. However, Elijah trusted God, so God sent him as a messenger and used him to perform many miracles.

**READ** about Elijah in **1 Kings chapters 17 and 18.**

God has done many wonderful things to take care of you, too. But sometimes we start thinking of the things we wish we had, instead of being grateful for what we have been given! It is especially difficult to be thankful when there are lots of bad things around us; it was the same during Elijah's time, when a long famine struck. Everyone was hungry, and many people thought they would die!

We should always be grateful and thank the people who help us to live and become holy. This pleases God very much. It is especially important during Christmas time that we tell God how thankful we are for what we have, instead of telling Him we'll only be thankful if we get certain Christmas presents!

**WRITE** down some things that you are **thankful for**—then thank the person who made it possible!

**This Advent, I am especially thankful to God for:**

**I am thankful to my parents for:**
